

Irrigation Options Update

David Armstrong
AK Consultants

Pyrethrum - BRA

- Northern Midlands disappointing in recent years, due to water-logging & frost.
- Maintaining presence in Hagley/Bishopsbourne.
- Expanding in Ballarat.
- Overall, consolidating the area in the next 2-3 years; no increase in area.

Essential Oils - EoT

- Focus is on maximising throughput with existing distillation units.
- Not expanding, no new contracts in the Midlands in next 2-3 years.
- EoT's current focus is investigating a broader range of plant products
